commission and bless our Youth Group missionaries before they travel to Houston for hurricane relief work; AND welcome and Bless our new Assistant Rector, The Rev. Ellen Kohn- Perry.

**Welcome to St. Paul's new
"Community Education Coordinator,"
Karen Alperowitz!**

Beginning this month, Karen joins our staff, bringing her creativity to the multi-generational Education Programs of our parish. Because our Christian journey and formation spans a lifetime, she will seek to broaden our range of educational offerings. In addition, she will support the many volunteers who already make our Sunday School and summer VBS programs such a wonderful place for our children to learn and grow.

Karen is a native of the Boston area and a graduate of Emerson College. She spent 10 years in Los Angeles working in Entertainment Marketing and Communications for the film and television industry. She and her husband Craig moved to Chatham in 2000 to raise their daughters, Megan and Molly.

Karen is now an advocate for the special needs community, helping young adults develop the skills to find their first jobs. She is an avid reader, skier, and devoted yogi, and has served on the Vestry since 2016.

Welcome!

I am pleased to announce that on **Sunday, July 29, 2018, The Rev. Ellen Kohn-Perry will begin serving as our Assistant Rector.**

Ellen was ordained to the priesthood in 2013. She served as Curate for Communications and Outreach at Christ Church in Short Hills before becoming Priest-in-Charge at Christ Church Budd Lake. In addition to her work as a priest, Ellen serves as President of the Board of Trustees of *North Porch Women and Infants' Centers*, a non-profit providing emergency baby supplies to children in need and on the Drew Theological School Alumni Executive Board.

Prior to her call to ministry, she worked for many years in the computer and software industry and as a professional ice skating instructor. She received her Master of Divinity degree from Drew Theological School and did her undergraduate studies at Hollins University and University of London. Ellen lives in Morristown with her family.

As you know, adding an Assistant Rector to our team has long been a desire and goal here at St. Paul's. I am happy to have found a partner in ministry with the energy and passion to help us further our mission and ministry in the community! *I hope you will join me in welcoming Ellen when she begins her service with us the last Sunday of July.*
